Brexit and NAFTA continue to be significant sources of uncertainty and risk in global supply chains...where do we stand and what do we do about it?

Join MITA on April 9 for the latest updates including an on-the-ground report via Skype from RSM partner **Simon Hart** from their London office.

Prof. Mark Copelovitch, UW Department of Political Science and the La Follette School of Public Affairs, will be on hand to provide his perspective on both issues.

You'll leave with a clear understanding of the issues to inform your business strategy.

Don't miss this unique opportunity to learn insights from two global and economic thought leaders regarding how international politics and changes in trade may impact business worldwide.
